9510 Telephone Rd. Houston, Texas 77075
346-240-9701

www.autoaccompressorhouston.com

Thank you for your purchase and continued business.

PLEASE READ:

The AC compressor you purchased from H.A.C Houston AC Compressor comes with a 6 MONTHS limited warranty and certain restrictions apply:

Flush A/C System

Replace Drier/Accumulator (proof must be presented for warranty)

Flush or replace condenser unit (Contaminated condensers and newer model condenser (not referring only to the ones from present year 2014 or couple back) are impossible to flush properly, so we recommend replacing condenser, also check the fans, fans are also one of the items we been finding out that they are the issue.)

Replace Orifice Tube and/or Expansion Valve (proof must be presented)

Use Proper Oil Type and Amount our compressors have NO OIL in them (check guidelines)

Use Proper Refrigerant Type and Amount (check guidelines)

Item must be returned with sales invoice.

Documentation MUST specify the labor and parts of the installation. Installation by anyone other than a certified mechanic will void the warranty.

ALL compressors are subject to inspection before any credit is issued. Any damaged or contaminated compressors will void warranty.

ALL the compressors are subject to an inspection before exchange or any credit is given. Damaged or contaminated compressors will void the warranty.

15% restocking fee will be charged for any returns of unused parts purchased

All of our compressors come with a 6 month limited warranty. Please read above.

Thank you!
